LEXINGTON INSURANCE

An  company

Lexington Insurance Company, an AIG company, is a leading U.S.-domiciled surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.

The term AIG refers to American International Group, Inc. property and casualty insurance operations, including related property and casualty business divisions, but not to any specific subsidiary insurance company.

Licensed surplus lines brokers may obtain products and services from Lexington Insurance Company or from Lexington Specialty Insurance Agency, Inc. (CA license no. 6003097), an AIG subsidiary serving as a program administrator for Lexington Insurance Company and other AIG member companies.

Additional information about AIG can be found at www.aig.com | YouTube: www.youtube.com/aig | LinkedIn: www.linkedin.com/company/aig
